

FUTURISTICA

A NEW WORLD OF CONCERT IMAGINATION

WORLD PREMIERE - COMING FALL 2023

ORCHESTRAL & ELECTRONIC FUSION

FEATURING

Maestro Dino Zonic
with orchestral, instrumental and vocal soloists,
DJ, and electronic musicians

ABOUT

FUTURISTICA is an innovative music production format to craft a unique experience and elevate the human spirit and perception to a new level.

It is driven by a passion for beauty and innovation seeking to create a new form of experience that exceeds the standards demanded by a worldwide audience.

FUTURISTICA is a **fusion of symphony orchestra, instrumental and vocal soloists, DJ, electronic sound artists, and VFX visuals.**

FUTURISTICA is a creation by PARASOUND Productions, in collaboration with a multi-award-winning team of visionaries who present this first-of-its-kind concert performance.

Dino Zonic

Composer, Producer, Director

American and world-acclaimed producer, composer and conductor produced numerous productions across the world such as the **Broadway - NY**; the world tour of **Musical Circle**; Opening Ceremonies of **Winter Games - Lake Placid NY** - a **TIME WARNER Production**; special performances for **President Bill Clinton** and **US Department of State**; a series of concert spectaculars in Dayton, OH **combining over 375 performers** on stage among others.

Maestro Zonic was winner of the Golden Karma award for philanthropic work, joining such luminaries as **Robert Redford, Angelina Jolie, and Muhammad Ali**.

A winner of the **ASCAP 2001** and **American Symphony Orchestra League** for outstanding repertoire also won "40 Under 40" – Business Journal Awards – The Dayton Business Journal and Wright State University.

Maestro Zonic started his career in early 90s, as one of the youngest professors and composers in Europe. He dedicated his work to foster unity between people and nations through his concerts and theatrical spectaculars, which he has produced all over the world including: U.K., Germany, Austria, before settling in the U.S.A.

Named as **Cultural Ambassador** of both Sarajevo and the Bosnia and Herzegovina - his home country, he became the Balkans' most prominent artistic creator. He was selected in the **top 10** of the most recognized and influential artist in the history of his home country that was praised by **His Holiness Pope John Paul II**, the **Dalai Lama, President Bill Clinton**, and other world luminaries.
